

Troop Rebate Program is Back by Popular Demand! Earn Valuable Rewards!

The Shop Rebate Program gives your troop or group* **a 5% store credit** for all purchases made by volunteers, parents, family members and friends at the Irvine Headquarters Shop or online store **between August 15th and November 30, 2009.**

Encourage everyone you know to take advantage of great deals for clothing, back to school items, and unique holiday gifts. **The more you spend, the more your troop or group benefits!**

Store credits can be used at the Irvine Headquarters shop between December 15, 2009 and March 15, 2010 (no extensions).

Shop Online at www.gscoc.org

Encourage everyone you know to Shop Girl Scouts!

**Troop leaders and Girl Scout Independent coordinators must register in order to participate in the rebate program. If you registered for the 2008 rebate program, there is no need to re-register. Store credits will be issued by email. For Girl Scouts who participate independently instead of in a troop, rebates will be directed to their independent Girl Scout coordinators and used collectively for the girls' needs.*

Shop Rebate Program Registration Form
